* The Sprint Car Bandits will have a bonus award, the 'DarinShort.com Free Pass to the Feature'. Any driver that finishes the SCB B-feature but does not transfer to A will go into a random drawing and the driver's name pulled out becomes the 21st starter in the A-feature and will forgo the \$100 NQ payback (for all SCB non-starters or NQ's), and will race for full A-feature purse.

As in 2015, unless previously advertised otherwise, LoneStar Speedway will be paying non-qualifier money to the three LoneStar points divisions on points nights. Each driver racing that night not making the A-feature will receive: Modifieds \$50; Limited Modifieds \$30 and Factory Stocks \$20.

LoneStar registered drivers must compete in at least 75% of the completed weekends of points races to be eligible for the season ending point's fund/prizes.

LoneStar Speedway offers one of the largest purses and driver point's fund in the region, and in return, we expect our drivers to conduct themselves professionally. Please refer to the driver/crew code of conduct rules at the track website, as penalties will be enforced by track officials if/when necessary.
